**Palm Beach Watercolor Society**

Hello Artists,

I hope that everyone is doing well.

Its summertime and the weather has been unusually hot up here in the Catskill Mountains of New York. We actually do need air-conditioning during the afternoons. The mornings are cool and delightful. I have been painting on my enclosed porch in the morning and loving every minute of it. I hope that you are finding time to paint as well.

We are looking forward to several shows this winter in Florida and Virtually. Since so many of our members do not come down to Florida or are not here during the time of our shows we are going to also do another show Virtually. More information will come as we develop this idea.

Camille Rosano, our wonderful Show Chairperson was hurt in a horse back riding accident recently. She is healing and doing well though she will have to take some time off from running the Shows. If you are interested in helping to run the Shows please let me know.

Our next meeting is on Thursday, July 11th. Tom Lynch will be doing the demo. I will send you the link from constant contact. It is going to be a link that Tom will send to me. If you cannot make the meeting let me know if you want the video from the demo. I am looking forward to seeing you there.

Happy Painting,

Adrienne Walker, President PBWS

## MEET OUR JUNE DEMO ARTIST

### TOM LYNCH

**JULY 11th 2024, Member Meeting Via Zoom**

*~ Welcome to the watercolor world of Tom Lynch ~ Let him lead you on an exciting watercolor adventure in... color, contrast, sunlight and shadow light!*

**He will be painting a panoramic landscape where he will paint - 'THE SHADOW FIRST'.**

Tom has been referred to as one of the nation's premier watercolorists. He has written 8 books and hosted several award-winning PBS TV Art programs. He was recently honored and listed as one of the nation's top 20 teachers by *American Artist Magazine* and he is represented by some of the nation's leading museums and premier art galleries. He has been the spokesperson for the National Art Materials Trade Association, and is the international spokesperson for many art material manufacturers. Tom is currently featured on the leading internet art education site ... Art Academy [Live.com](https://www.artacademy.com).

With his uniquely styled landscape paintings, Tom strives for a level of excitement and drama that seems to push somewhere beyond what the environment naturally provides. When considering subjects, Tom tries to search for something striking like the dramatic colors of the sky, the direction of natural light, various and unique patterns of shadows or the glint of sunlight on water. Tom embellishes those striking features in his painting to impact the viewer.

Tom hopes that by accentuating those things that are sometimes easy to miss, he can provoke viewers to have something to think about and not just things to see. Each painting Tom creates can be seen as something very special. *"I feel it's the job of the artist to bring to the viewer the best of what can be found in the landscape along with a little creativity or exaggeration ... normal and ordinary are not for me. I feel that an artist is paid for their vision, not their observation."*

Tom is a natural teacher who is especially intuitive in developing the student's own individual needs. For over 40 years students from all over the world have attended his workshops and have acclaimed them with high regard. He has mentored many who are now accomplished professionals. When Tom speaks, he talks openly, candidly, and with a smile. His paintings have that same intensity, expression, and direct appeal.

Toms' list of credentials include: *Signature Membership* in many national watercolor societies, election into the illustrious *Society of American Impressionists* as well as *Who's Who in American Art*. He has been featured in numerous publications including ~ *Artist Magazine* ~ *Watercolor Magazine* ~ *American Artist Magazine* ~ *International Artist Magazine* ~ *Southwest Art* ~ *Plein Air Magazine* ~ *Art & Antique* ~ *The Wall Street Journal*, and the books *America's Great Masters* and *American Legends*. Tom has been the invited guest artist for many art exhibitions including, Olmstead, Sedona, Zion, Richmond, Lighthouse, San Angelo and Easton Plein Air events where he won awards, including, 'Best of Show'. Tom's painting was featured on the cover of *Watercolor Magazine* and every Christmas day for the last 26 years Tom has had a painting featured on the front page of a leading Illinois newspaper. Tom was honored to hold a one-man art exhibition at the American Embassy in Paris, France.

Some of Toms' numerous awards include: two, 'Lifetime Achievement Awards', ~ 'Landscape Artist of the Year', ~ 'The Municipal Art League of Chicago Award of Excellence', ~ and he was the first American artist selected for an *Honorary Membership* in the "Canadian Watercolor Society". Toms' PBS video productions won a Bronze Award in the 'Telly' Competition. Tom has been the artist for Men's, Women's and Seniors U.S. Open Golf Championships and several PGA tournaments. Toms' work has been published, and many of his paintings are offered in *Limited Edition* prints.

It is no surprise that his paintings are included in public, private, and corporate collections throughout the world.

### Painting Loose Florals & Landscapes Two Days of Intense Fun! *Via Zoom*

February 19th and 20th, 2025

11:00 am - 1:00 pm - lunch break - 2:00 pm to 4:00 pm

#### Abstract Florals from Loose, Colorful Splatters

Paint modern, loose abstract florals that sell like crazy. Learn the secrets of Monet and others as you turn those colorful splashes into quick little gems. These Burrige “daily warmups.” Playing with wild colors, you will paint loose starts into little beauties.

You will learn how to make a vase of abstract flowers from a mess, using reductive painting techniques. We will work with different vase shapes, styles and learn how to paint stems and water!

#### Loose Abstract Landscapes

Paint with free rein and learn to run wild with looser landscape painting. Learn quick spontaneity with your imagination for maximum effect! Paint warm-up exercises using Bob’s four favorite basic compositions: Horizontal, Tunnel, Asymmetrical and Golden Section.

We will work with black and white acrylic paint to learn structure and value. Then switch to color, using both transparent and opaque acrylics.

***If you are looking for more fun, this is for you! Burrige’s positive, fearless and supportive approach inspires everyone to paint with endless possibilities.***
